Mission Statement

The City of Waukesha Parks, Recreation and Forestry is responsive and committed to providing essential park, recreation and urban forestry services making our community a desirable place to live, work and play.

The Staff

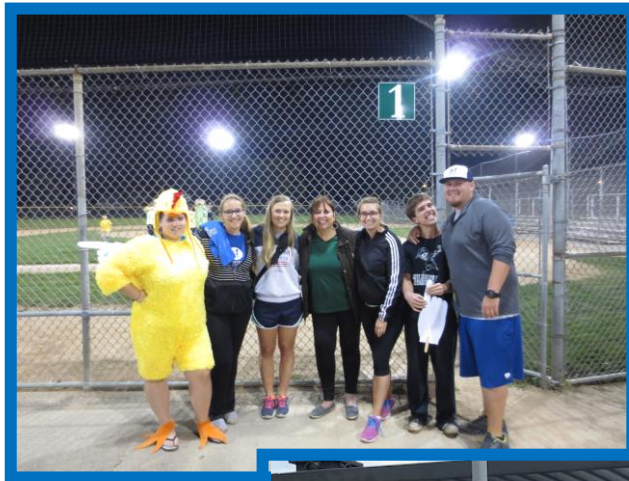

The Cool School Instructors are college students, college graduates, DPI certified teachers, teacher's aides and community members who truly enjoy working with children. They all have experience with before/after school programs, summer playground programs, daycare or childcare programs and/or have taught children in a school or recreation setting.

Staff attends an intensive training program prior to the school year, which includes certification and recertification in First Aid and CPR, Behavior Management, Games/Activities training, etc.

Instructors are responsible for planning and supervising all daily activities.

The ratio of participants to Cool School leaders is no greater than 13:1.

Leaders in Training (L.I.T.) opportunities are available to young people, ages 13-17, who are interested in assisting with the program. L.I.T.s must attend a Leading Forward Workshop, apply for a position, interview and attend additional training workshops.

Kid Fit Before School Program

The Cool Before School program is centered around fitness and literacy. A 2001 study from the National Association for Sport and Physical Education notes that there is a correlation between school performance and being physically active. Additionally, a 2013 Danish study shows that exercise before school improves attentiveness and focus during class. For these reasons, the before school program places a heavy focus on keeping your child active and moving through fun, physical activities.

What to Bring

Attire: Unfortunately, we will not have access to the children's gym shoes. Please have your child wear appropriate shoes for active games.

Please note that WPRF cannot be held liable for any lost, stolen, damaged or missing items, including any electronic devices such as iPads, cell phones, laptops, etc. Please exercise caution when sending your child to the program with these items.

For students with school-issued iPads: We will work with each school individually to ensure that students' iPads are stored in a safe and secure place during the before and afterschool programs. Each site will devise their own iPad check-in/check-out system for when students arrive at and leave the program. If you have any questions or concerns about iPads at the before/afterschool program, please contact Cool School instructors directly.

Drop-Off & Pick Up Policies and Procedures

For your child's safety and security, we require families to physically sign their child in and sign them out everyday. Parents/Guardians dropping off their child and not entering the school for Before School is not permitted. Parents/Guardians calling the site cell phone requesting their child to meet them outside is also not permitted. **A physical signature from the parent/guardian/authorized pick up person is required each drop-off/pick up.**

Each site has a phone number that you can contact staff at during program hours or leave a message. We ask that you please call in advance if your child will not be attending the program, if someone who is not on the authorized pick up list is picking them up, or if you are going to be later than 6pm in picking up.

You or anyone picking your child up will be asked to show a photo ID as well as crossed checked on the authorized pick up list to ensure your child's safety. Cool School staff are not authorized to allow your child to leave with anyone they do not know to be an authorized pickup person. Please bring a photo ID with you when picking up.

If someone who is not listed on the Child Information form is picking up your child and you have not notified Cool School staff that your child will be picked up by someone not listed, we will not release your child with that person until we can receive verbal or written (e-mailed) verification from you. This person will also be asked to show photo ID upon pickup.

Late Pick-ups:

We ask that you be observant of your pick-up time and arrive before the program closes for the day. Any person that arrives late in picking up will be assessed a fee. **This fee is \$5.00 for every 15 minutes after 6:00 pm or fraction thereof.** Cool School Staff will issue a late-pick up slip, which must be paid within one week to the WPRF main office. Cool School staff cannot accept late pick-up money. If the late pickup fee is not paid, your account will be invoiced for the remaining balance.

We understand emergencies may occur, so if you find yourself in such a predicament, please call the Cool Before and Afterschool phone or e-mail the Cool School site e-mail address. This courtesy will alleviate anxiety on the part of the staff and your child.

***Banting & Hawthorne CLC only:** These programs are partially funded through the Department of Public Instruction's (DPI) 21st Century Community Learning Center grant. This grant allows us to provide enhanced academic enrichment and family learning opportunities without any barriers to participation. Due to this grant, we must follow the DPI guidelines, regulations and best practices. One of these best practices regards our pickup times. 2017-2018 pickup policy is that children may be picked up at only one of three pickup times. Children rotate between activities daily and in order for them to receive the full benefits of the program, it is crucial for them to remain for the duration of the rotation without disruption in the activity provided.

Friday pickup times:	Anytime before 6:00 pm

If you are unable to drop your child off or pick your child up, please contact Therese “Jazz” Jashinsky, Before/Afterschool Program Coordinator at (262) 993-2085. We will work with families to establish safe transportation to and from the program through a variety of different methods such as setting up carpools with other Banting or Hawthorne families, providing volunteers to ride the Waukesha Metro bus with your child, having staff or volunteers walk your child home, etc.

Health/Emergency Information

It is the responsibility of the parent/guardian of the program participant to complete the Child Information Form prior to your child(ren) beginning the program (located on pages 12-14).

Please inform the leaders of any medical (physical or mental) condition that requires consideration by the Cool School staff. It is crucial that any special needs/accommodations are communicated with staff for everyone's protection; staff, other participants, and the individual. We will respect your confidentiality.

If your child is injured or ill at Cool Before or Afterschool and requires more than basic First Aid, we will attempt to contact the parent/guardian or listed emergency contacts. All steps will be taken to assure the safety and welfare of your child. If your child is injured and transported to the local hospital, a Cool School instructor will stay with your child always until you or an emergency contact arrives.

The City of Waukesha Parks, Recreation & Forestry Department does not provide medical/hospital insurance coverage for persons participating in sponsored activities and cannot assume responsibility for injury to any participants in its recreation programs.

Medication Policy

2. Parental consent and Physician Order must be on file with staff before medication is administered.

Notes about medication:

- It is the Parent/Guardian's responsibility to ensure that the medication is available for distribution at the site.
- On Day Off Programs in which your child is not at their usual program location, it is the parent/guardian's responsibility to provide the medication on that day. Cool School instructors are not authorized to transport medication to a different site or location.
- If your child carries their own inhaler or Epi-Pen, a Medical Authorization form must be completed with the physician authorizing your child to carry their own medication.
- Cool School staff are not authorized to provide injections other than those trained in Epi-Pen.

Americans with Disabilities Act

We comply with the Americans with Disabilities Act (ADA) which prohibits discrimination on the basis of disability. We will make reasonable accommodations for individuals with disabilities who meet essential eligibility requirements for the desired program. Individuals with disabilities are encouraged to contact the Parks, Recreation & Forestry Department.

Photograph Policy

Please be aware that WPRF participants may be photographed or taped for promotional purposes, (ie. WPRF activity guide, Channel 25, newspapers, Facebook, Twitter, etc.). **Please let the staff know in writing if you do not want your child photographed.**

Code of Conduct

Unacceptable Conduct – Such conduct includes but is not limited to the following actions: Defiance of authority, disorderly or disruptive conduct, fighting, foul or abusive language or gestures, illegal gambling, harassing, threatening or intimidating others, loitering, possession of weapons or dangerous articles (as defined by local police/state statutes), possession or use of tobacco in any form, misuse or destruction of any WPRF equipment or facilities, setting fires, sexual harassment or assault, repeated tardiness, theft, robbery or extortion, use, possession, sale, distribution or being under the influence of alcohol or any other illegal controlled substance, vandalism, willful disobedience, arrests or convictions in the community, such as an ordinance violation, a misdemeanor, a felony, or a traffic violation on or adjacent to WPRF property, related to participant safety or contrary to the program environment, use or possession of laser pens and/or pointing devices, hazing, and bullying.

The following procedures will be used in handling discipline situations:

1. Verbal warning (with reasons as to why the behavior is inappropriate) and/or redirection of behavior will be the immediate action in correcting inappropriate behavior.
2. Behavior/Incident Report will be filled out with a detailed description of the incident and behavior. Staff will document the strategies employed to correct the behavior and this form will be shared with the parent/guardian and program coordinator. Conversations with Program Coordinator, Cool School Instructors and Parents/Guardians may take place to identify success strategies and positive reinforcement strategies.
3. The severity of the child's behavior will determine what actions need to be taken – possibly dismissal from the program. This may include partnering with the WPRF Before and After School team and additional community resources to seek alternative tools and strategies for your child's behavior.
4. In effort to keep all of our participants safe, running from staff and physical aggression to staff or other children will not be tolerated and will result in immediate dismissal from the program.

Our approach is to work as a team with school teachers and staff, Cool School Staff, Program Coordinator, and Parents/Guardians to work towards appropriate behavior and interactions. Our goal is to ensure that your child is successful within our program setting. We will keep an open line of communication with you regarding your child and ask that you do the same with us. Please feel free to communicate any issues, concerns, strategies, etc. to help us promote the success of your child in the Cool School program.

*Any violent or physical actions will receive an automatic removal from the group and parent discussion. The City of Waukesha Parks, Recreation and Forestry Department reserves the right to dismiss a participant whose behavior endangers the safety of themselves or others and/or if inappropriate behavior does not stop.

Thanks for joining us at the Cool Before and After School Program!
We are looking forward to a great year!
